WE ARE EXTENDING OUR PARTNERSHIP WITH CLIC SARGENT.

YOUNG LIVES
vs CANCER
CLIC SARGENT

We're delighted to announce that we're extending our national charity partnership with CLIC Sargent, the UK's leading charity for young cancer patients and their families.

Our partnership, which had been due to end in February 2020, will now continue until February 2021. Thanks to your continued support we have already raised £7 million for the charity.

The additional money we raise will fully fund a new CLIC Sargent 'Home from Home' near the Christie Hospital in Manchester, a national centre for specialist childhood cancer treatments.

Some families travel long distances across the UK so young patients can receive specialist treatment, leaving them facing the huge financial costs of regular travel and accommodation, or the difficult decision to spend time apart.

CLIC Sargent currently operates 10 Homes from Home which provide free accommodation for young cancer patients and their families during their treatment. The homes' communal living areas and kitchen provide places for families to relax and be together outside of the hospital.

Morrisons' colleagues overwhelmingly supported continuing the partnership with CLIC Sargent

A winning combination

Our new limited edition Candyfloss and Apple Flavour Ice Cream has been tasted and approved by CLIC Sargent's little tasters.

Making a difference in local communities

The Morrisons Foundation supports charities making a positive difference in local communities across England, Scotland and Wales.

Grants for good causes

We award grants to support charities delivering community projects. From support groups to children's hospitals and homeless shelters to hospices, our grants provide vital funding to help improve people's lives. Our community grants have supported more than 1,400 local projects, helping a wide variety of good causes. On World Book Day this year the Foundation funded more than 7,300 new books for local Primary Schools across the country.

Match Funding

Hundreds of Morrisons colleagues have received match funding - we will match fund the money raised by Morrisons colleagues for their chosen charities, providing a cash boost to the charities that they spend their time fundraising for.

We have donated more than

£25 Million

to registered charities across England, Scotland and Wales.

Help us reduce plastic waste

Here are some of the ways in which you are helping us cut plastic waste.

We're trialling a reusable paper carrier bag as an alternative to our bags for life. Our plastic bags for life can also be brought back to store to be recycled in our special bins.

To help reduce our use of plastic packaging, you can bring your own container to our butcher and fishmonger counters to take your meat and fish home in.

We're rolling out new front of pack logos to encourage recycling; look out for these on many new products in store including potatoes, bananas and milk.

All our own brand pizzas are packaged on 100% recyclable cardboard bases, saving over 21 million bases going into landfill each year.

We offer customers 25p off hot drinks at our Barista Bars when you bring your own reusable cup.

We've replaced plastic produce bags with a paper alternative for loose fruit and veg on Market Street. This prevents around 150 million plastic bags in UK waste each year.

Wonky Raspberry Muffins

Makes 6 jumbo muffins.

You will need a 6-hole muffin tin.

275g plain flour
1 tbsp. baking powder
150g caster sugar
100g white chocolate chips
50g unsalted pistachios, chopped
100g unsalted butter, melted
2 large eggs
200g Greek yoghurt
6 tbsp. milk
2 x 125g packs of Wonky Raspberries

Line the tin with muffin papers.

Preheat the oven to 170c/325f/gas 4

In a large mixing bowl combine the flour, baking powder, sugar, white chocolate and pistachios. Mix gently.

Combine the butter, eggs, yoghurt and milk in a jug.

Make a well in the centre of the dried ingredients bowl. Pour in the egg and yoghurt mixture, add the Wonky Raspberries keeping a few in reserve. Fold together until just mixed.

Fill each muffin paper about 2/3 full and add a couple of the reserved Wonky Raspberries on top of each. Bake for 20-22 minutes until golden, well risen and slightly firm.

Remove and cool in the tin for 15 minutes.
