MAKING PRICE CUTS

on over 200 of your frozen favourites

Welcome to Morrisons News

Welcome to our October edition of Morrisons News

We've been making shopping with us safer for you by managing store entrances and checkout queues. We've also expanded our Doorstep Delivery Service, so more people can benefit from this service whilst isolating.

This week, we've cut the price of over 200 of your frozen favourites to help cut the cost of your shopping. This is in addition to the price cuts we've made on over 1200 of your favourite products this year. These aren't short term promotions, these are price cuts that are here to stay.

Visit us in store to discover our new range of Halloween costumes made out of recycled plastic bottles, and don't forget to pick up a copy of our new Christmas Food to Order guide.

Thank you for shopping at Morrisons.
