## Eggs-tra fun Easter crafts!

### Bunny Wall Decor

<https://my.morrisons.com/easter/easter-crafts/animal-wall-decor/>

- You will need:
1. Coloured paper or card (to print the stencil above)
  2. Scissors
  3. Ruler
  4. Pencil
  5. Glue and brush
  6. Felt

How to make it:

1. Print out a stencil on coloured paper using the link above, and create the shapes you need (cut along the red lines and fold along the green lines).
2. Keep folding the 2 sides down until the points meet and then glue them together.
3. Fold down the circle nose shape and glue down.
4. Glue the two ears onto the back and cut out some smaller ears in felt. You could also make a little felt nose.
5. Draw on details like the mouth and eyes.
6. Cut out an oval shape to mount your rabbit head onto.
7. Stick to the wall using blue tack or double sided tape.

### Easter Crown

Here's another quick and easy Easter activity! Staple a wide strip of card into a circle to fit around your child's head. Cut out large and small egg shapes for your little one to paint before sticking them on to their crown.

### Easter Egg-heads

Make some boiled eggs for tea, then afterwards clean out the shells and use googly stick-on eyes and felt-tip pens to create a funny face. Put a damp cotton wool ball into each egg and sprinkle with a teaspoon of cress or chive seeds. Leave in a dry, bright place and watch the 'hair' start to grow. Once it has got long, give each egg a 'haircut', so you can use the cress or herbs on your dinner.
